# Ecosystem services in the Norrström basin

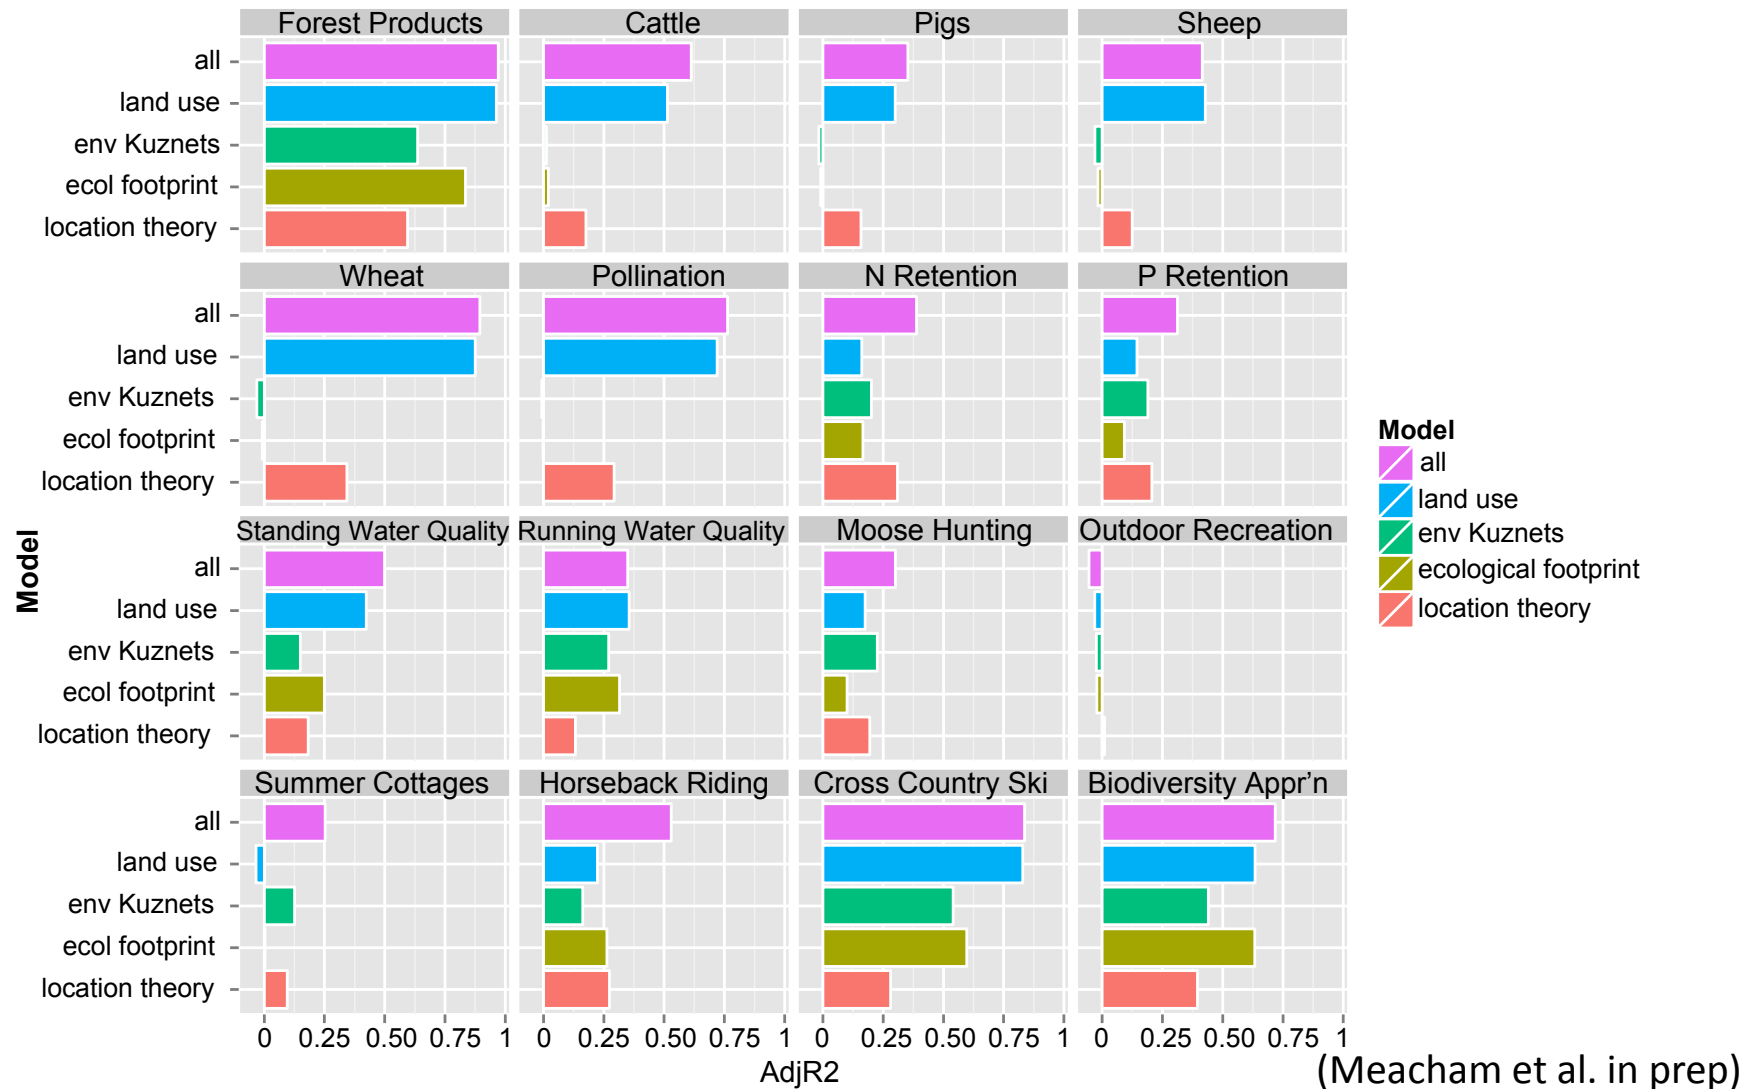

# Bundles of ecosystem services in the Norrström basin

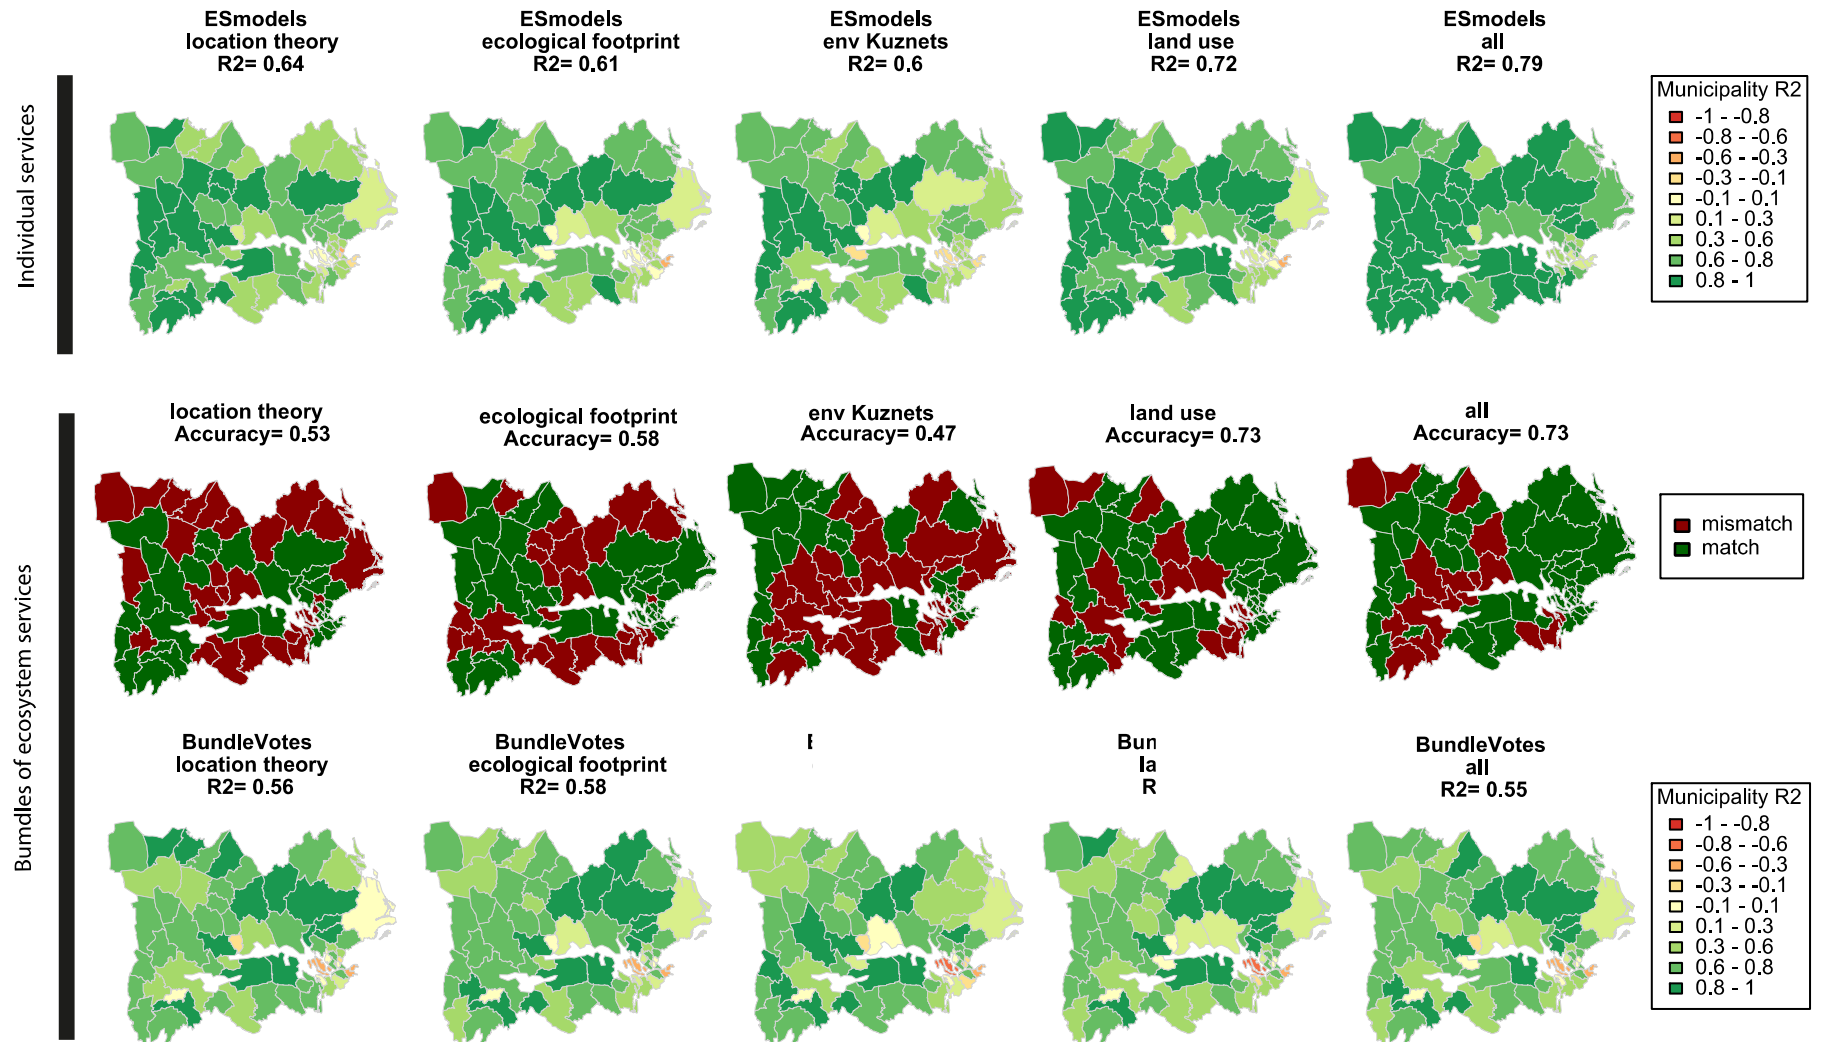

(Queiroz et al. 2015)

# Drivers of ecosystem services in the Norrström basin

# Drivers of ecosystem services in the Norrström basin

(Meacham et al. 2015)

# Topics for discussion

- How to combine InVEST models in order to assess the relationships between services?
- Incorporating social, economic, geographic data into the understanding of the distribution of services
- What kind of metrics would better explain cultural services?

# Thank you!
